Key benefits for investors

Award-winning manager

Access the expertise of Phoenix Portfolios, a boutique investment manager

Global opportunities

Exposure to small cap global equities with assets trading at attractive discounts to valuations

Diversification

Diversification to typical large cap managers and ETFs

Aligned interests

Significant co-investment by investment manager. Fees only paid when your investment increases in value

Past performance is not indicative of future performance.

Exposure to a diversified portfolio of international securities trading at a discount to their observable net asset values (NAVs).

Focused on small-cap stocks where analyst coverage is often low, and pricing discrepancies present the best opportunities.
