CROMWELL RIVERPARK TRUST

Investment Report to 31 December 2024

This was the first of Cromwell's next generation 'back to basics' single property trusts and served as a bellwether for the type of investments being sought in an uncertain economic environment.

TRUST UPDATE

- We point you toward our most recent edition of Insight (#49) for an understanding of what is happening in the commercial real estate market.
- Unitholders have voted to approve the Term Extension Proposal for the Trust, as put forward in the Notice of Meeting and Explanatory Memorandum dated 30 October 2024. The vote extends the Term to 31 December 2026. Cromwell Funds Management will continue to monitor the market with a view to launching a further formal sale campaign during the Further Term, at the earliest time that it considers market conditions are favourable.
- Cromwell Funds Management Limited has simultaneously terminated Cromwell Riverpark Trust's (Trust) existing interest rate hedging and entered into a new \$120 million interest rate hedge. The Trust is now 94.5% hedged (based on drawn balance) for 2 years.
- The asset remains 100% occupied, with a weighted average lease expiry of 5.4 years as at 31 December 2024.
- The Trust's unit price was \$1.58 as at 31 December 2024.
- Since inception, the Trust has delivered an annualised return of 10.4% per annum.

- As at 31 December 2024. Calculated by gross income.
- Changes to MSCI's methodology for Benchmark performance reporting has resulted in an index start date that falls post the inception date of the Trust, consequently Benchmark comparison data is no longer available for the period since inception.
